THURSDAY EVENING. JULY 25.

THE OLD POWDER MAGAZINE AT WIL-LIAMSBURG.-The Colonial Capital Branch of the Association for Preservation of Virginis Antiquities, has purchased the powder magazine at Williamsburg. This octagon magazine, it wil be remembered, was built about the year 1714 by Sir Alexander Spots-wood, then Lieutenant Governor of the Colony of Virginia. It was from this building that Lord Dunmore caused the powder to be removed and clandestinely in the night carried to the man-of war Magdalen. This carried to the man-of war magnaten. Total act of perfidy met with prompt punishment at the hands of Patrick Henry, who required for the powder immediate and full compensation in money. It will thus be seen that the old powder magezine is intimately associated with three of Virginia's Governors. and with a stirring period in the history of the colony. Its purchase has long been contemplated, and the work of repair will immediately begin. From a powder mega-zine it has passed through many changes, once a Baptist church, subsequently a danc-ing school, finally falling to the lowest rung of the ladder of fate, it was converted to the vile uses of a stable. It is now proposed to make it a museum and the repository of tho many objects of interest in the section in which it is located. Anyone wishing to contribute to this work can do so by communicating with either Mrs Randolph Harrison, and the section with the Mrs Charles Washing. Mrs Israel Smith or Mrs. Charles Washington Coleman, Williamsburg, Va.
